Are you?The one

By Glenn Seejattan

Are you the one who will be there for me?
Are you the one that will see me for me?
Are you the one that as soon as I see your name on my tablet I get a smile on my face?
Are you the one who will add some beauty in my life and this God fosaken place?
Are you the one when I'm having a bad day I can count on to take my call?
Or will you be like everybody else and barely beer around head all?
Are you the one I can count on to tell me the truth no matter how bad it might be?
Are the one that I can count on to always be there for me emotionally
Are you the one that will take a trip away for the weekend to come, visit me if need be?
Because I am looking for more than a pen pal, i want a woman I can actually see.
If you think you could be the one please write that to me..
Because I have believed that there's somebody for everybody, even me
