

STREETZ

Streetz is where I Grew up & played
Streetz is where I Got My Hood NAME 'WONDA'
Streetz is where I Hustled Made My Money & Got Paid
Streetz is where I LEARNED 2 SURVIVE
Streetz is where I Wished I would Die
Streetz is what I called home when My own Mother
Got sick of Me & threw Me out in the Cold
Streetz is where I LEARNED My Values & Beliefs
'Loyalty, Honor, Respect, Money over Bitch's, & fuck
every stool Pigeon'
Streetz is where I Made My first BONES
Streetz is what Made Me A MAN
Streetz was the first thing I ever felt was My own
Streetz is where I found A 'family' CRIP
Streetz is what Got Me My 26 year sentence
Streetz is what opened My eyes 2 My own
weaknesses & Independence.

"But in the end. This Life taught Me the hardest &
Most true consequence & Life experience Any
MAN, WOMEN, OR Adolescent would ever Realize
Before it's too late.

That the Streetz is A place that will take the
puriest persons & turn them into what this Country
was first built on. SLAVERY! Not A slave to the
'White Man' OR ANY other RACE. For the Streetz it
is Color blind to everything & every person it
is slaves, whips, beats down & more often than
not even will Kill. But to every person's own
self-weaknesses.

For every person in those Streets. We must look
deep down with in ourselves. We are the only ones
who Really know ourselves Best. Don't try to
look At your weakness AS A BAD thing. Rather

TAKING CONTROL OF THAT WEAKNESS TURN IT INTO A WEAPON & IN TURN IT WILL BECOME SOMETHING OF GREATNESS. THAT WILL MAKE YOU A MILLION TIMES STRONGER THAN THE AVERAGE HUMAN BEING, WHICH IN TURN WILL MAKE YOU BECOME THE PERSONS YOU DREAMED OF AS A SMALL CHILD."

MY OWN WEAKNESS & DOWNFALL WAS MONEY. IT GOT ME A 26 YEAR BID.

Dedicated to those who CAN RELATE & UNDERSTAND.
